This map is for illustrative purposes only and the features depicted on it are approximate. More site specific studies may be required to draw accurate conclusions. Leo Design Co ("LDC") and Bike Walk Golden ("BWG") makes no warranties regarding the accuracy, completeness, reliability, or suitability of this map. In accessing and/or relying on this map, the user fully assumes any and all risk associated with the information contained therein. The rating system shown on this map is not an assurance that conditions are safe for bicycling. Additionally, the road rating system does not indicate, or guarantee, that these roads have been specifically designed for bicycle use. LDC and BWG takes no responsibility for users' safety and in no way warrants the safety of the roadways. Highlighting does not signify a higher level of road or infrastructure maintenance and is not meant to recommend or condone a particular roadway. You are responsible for your own safety. All users should educate themselves on the rules of the road, and cycling safety, before using any of the systems shown. Your skill, fitness level, and comfort in diverse traffic situations, will determine the streets most suitable for your cycling needs. Be aware that automobile speeds and traffic volumes may vary depending on the street and/or time of day.
